

Dear Parents of Grade Three students,

The following is a list of school supplies your child will require for grade four. Please ensure your child is prepared to learn by sending the listed items, labeled with your child's name, on the first day of school, Wednesday, Aug. 30. If you used School Start to order your supplies the deadline for online orders is Aug. 4 (late fees apply after this date). These will be delivered to your physical address (no PO Boxes).

We are looking forward to teaching grade four and working with your child. We have been team teaching for many years here at NPCS and have spent the last four years teaching grade four. Over the years we have taught every elementary grade and are very pleased to be in grade four at this time. We enjoy helping students transition from grade three to an upper elementary environment which includes a combination of teachers. We continue to grow our teaching skills by incorporating a variety of strategies as we seek to meet the needs of all learners in our classroom. We are especially looking forward to incorporating a Literacy Block next year that will include a new Spelling program and new reading resources so we can be more specific about meeting kids at their level of learning.

Sincerely,

Mrs. Nanninga

Mrs. Sybesma
